

WELL VERSED | CHAPTER 24

Immigration and Border Security

1. Why have both Democrats and Republicans failed to follow through with a plan in this area? (204-205)

2. Review the eight biblical principles on page 206-207 regarding immigration. What thoughts do you have as you read them? Review them one at a time? What do each one of these mean?

3. What does the word desuetude (pronounced DEH-swah-tude) mean on page 208? Why is that important?

4. What are your thoughts on Dr. Garlow's call for two healing steps? (209)

 - b) A "pathway" [not amnesty] would be constructed to provide for legalization.
